**MUNICIPAL ELECTRIC UTILITIES OF WISCONSIN'S  
REQUEST TO INTERVENE AND NOTICE OF APPEARANCE**

---

Pursuant to Wis. Stat. §227.44(2m) and Wis. Admin. Code § 2.21, the Municipal Electric Utilities of Wisconsin ("MEUW") hereby files its request to intervene in the above-captioned matter. MEUW's attorneys also file a notice of appearance.

**STATEMENT OF INTEREST**

MEUW is the trade association for Wisconsin's 82 municipal electric utilities, which are located throughout the state of Wisconsin. Each MEUW member is a public utility within the meaning of Wis. Stat. §196.01(5). The MEUW's members include municipal electric utilities that purchase power at wholesale to distribute to their retail customers. The Notice of Investigation in this proceeding states that the Commission will be considering matters related to adopting and achieving "increased conservation and energy efficiency goals." Further, the Commission's investigation may consider what goals should be adopted and possible approaches for achieving those goals. As utilities that may ultimately implement steps to meet these goals, MEUW members have a substantial interest in the Commission's findings and decision in this investigation.
